This class covers the algebra you will need for calculus two semesters later.

Text: *College Algebra*, Fourth Edition, James Stewart, Lothar Redlin, Saleem Watson. ISBN 0-534-40599-1. You should be able to get this from the Don H Bottum University Center Bookstore, but they may or may not give you the best price. You should probably check Amazon.com as well.

Courseload: There will be weekly quizzes and homework assignments. These will comprise 60% of your final grade. There will be two in-class exams each comprising 10%, and a final exam comprising 20%.

Office Hours: I will have office hours from 2:00 to 4:50 P.M. every day except Tuesday. If you cannot meet me at that time, you can schedule an appointment or just drop by; I might be free. (However, 12-1 is my lunch hour.)

Disability: If you have a need for disability-related accommodations or services, please inform the Coordinator of Disability Services in the Disability Services Office at 1104 University Center (227-1737). Reasonable and effective accommodations and services will be provided to students if requests are made in a timely manner, with appropriate documentation, in accordance with federal, state, and University guidelines.
