## CS122 Computer Science II

### Prerequisites:

CS120 or permission of instructor

### Text:

GUI Java (Part II — chapters 7...17) Barry Peterson & Lawrence Ellerbruch

### Supplies:

A computer with an internet connection is necessary. Free software is available.

### General Information:

This course is primarily a course in programming technique. We will look at program organization, algorithm design, and specific design features of Java.

Grading will be done about one-half on tests (of which there will be two or three) and one-half on laboratory assignments.

### Physical Disability Services:

I will help you as I can, be sure to ask!

The Coordinator of Disability Services is in the Office of Student Support and Disability Services, room 2001 in the C. B. Hedgcock building. The phone number is 227-1700 TTY: 227-1543. Reasonable and effective accommodations and services will be provided to students if requests are made in a timely manner, with appropriate documentation, in accordance with federal, state, and University guidelines.
