Text: Barnett, Ziegler and Byleen, *College Algebra, A Graphing Approach*

Other required supplies: graphing calculator (mine is TI-86) or TI-Interactive software installed on your NMU laptop. A #2 pencil (with eraser) is needed for in-class calculations and for quizzes.

There will be weekly exercise sets or quizzes. There will be no makeup quizzes. Late exercise sets are not acceptable. Graded work is handed back promptly. The 2-hour final exam (Monday, April 29 7:00 p.m.) will be cumulative. It will be given in our classroom, 219 Jamrich Hall.

The quizzes and final exam are closed book and closed notes.

You may be required to use your graphing calculator, and you will need a #2 pencil for the quizzes and final exam.

Scrap paper for calculations may be used during the quizzes and final exam.

In order to estimate your grade in this class, assume

90 - 100 % A

80 - 89 % B

70 - 79 % C

60 - 69 % D

Please, no food or drink in class. Be courteous to those sitting around you by not conversing during class. Good luck and have a great semester!

If you have a need for disability-related accommodations or services, please inform the Coordinator of Disability Services in the Disability Services Office at 1104 University Center I (227-1737; TTY227-1543). Reasonable and effective accommodations and services will be provided to students if requests are made in a timely manner, with appropriate documentation, in accordance with federal, state, and University guidelines.
