## CS122 Computer Science II

**Prerequisites:** CS120

**Text:** *GUI Java (part two)* Barry Peterson & Lawrence Ellerbruch

**Supplies:**

A computer is necessary. Free or very inexpensive software is available.

**General Information:**

This course is primarily a course in programming technique. We will look at program organization, algorithm design and specific design features of Java.

Grading will be done about two-thirds on tests (of which there will be two or three) and one-third on laboratory assignments.

**Physical Disabilities:**

I will help you as I can, be sure to ask!

The Coordinator of Disability Services is in the Office of Student Support and Disability Services, room 1104 in the University Center. The phone number is 227-1737. Reasonable and effective accommodations and services will be provided to students if requests are made in a timely manner, with appropriate documentation, in accordance with federal, state, and University guidelines.
