This course is REQUIRED for all Computer Science and Network Computing majors.

Text: *Computer Networks*, Fourth Edition, Andrew S. Tanenbaum. This book is available from the University Center Bookstore, but there is no law that says you must get the book from there. You might want to consider checking prices at [amazon.com](http://amazon.com) or [bookpool.com](http://bookpool.com).

Courseload: There will be weekly assignments, some programming, some written. These will be worth 60% of your grade. There will be two in-class exams, worth 10% each, and a final exam worth 20%.

Office Hours: I will be available from 4:00–5:00 P.M. every day except Tuesday. You are always free to make appointments for other hours, or to stop by if I happen to be in.

Disability: If you have a need for disability-related accommodations or services, please inform the Coordinator of Disability Services in the Disability Services Office at 1104 University Center (227-1737). Reasonable and effective accommodations and services will be provided to students if requests are made in a timely manner, with appropriate documentation, in accordance with federal, state, and University guidelines.
