

Syllabus: MA 104: WS 2906

Instructor: Mrs. Hewitt
Instructor Office Phone: 227-1603
Email: shewitt@nmu.edu (Email me , before test absence)
Room Number: West Science: Room # WS 2906

Text: Applied College Algebra—a Graphing Approach Gareth Williams
We will cover the review and most of chapters 1-6 with an additional trigonometry unit.

Prerequisites: At least a C – in MA 100 or satisfactory score on Math Placement Exam
You must see me immediately if you do not meet these prerequisites

Classtime: M,W,R,F at 11:00 a.m. in Science Bldg Room 2906

Additional supplies: TI Interactive graphing software and calculator will be available on your ThinkPad.
A “graphing” calculator is helpful if you have access to one; but it is not required. I will use a TI 86 or TI 83+.

Attendance: Attendance will be taken at the beginning of class. Late arrival may constitute an absence. Notify me of any attendance problems.
You are expected to show up for class promptly. Show any documented scheduling time problems immediately.
You are expected to be courteous in the classroom at all times.
You are expected to stay the entire period.

Homework: There will be a daily homework assignment. You are expected to do all the problems in a notebook. Page number each assignment.
Show all work along with the answer. Plan on spending up to 2 hours per night on assignments. Notebook quizzes will be given.
(Notebook quizzes are quizzes in which you can use your notebook to help solve the problems.)

Make-up test First, if you cannot make it to class the day of a test—due to a good reason--you must notify me by

phone voice mail message (227-1603) or email (shewitt@nmu.edu)

before the test occurs-- to be eligible to make up the test.
Further written verification of your absence may be requested. It will be recorded—not counted—until such notification.
Secondly, you must contact me the day of your return to class and we will promptly schedule a time & place for the make-up of the test. You will be given a test over the same content in then math department’s make-up lab .

Sports students will present me with a absentee form before leaving for the sporting event.

Extra Credit Types

Approximate Attendance extra credit:

0 or 1 absence= 3%; 2 absences= 2%; 3 absences= 1%

-Absence means “not in class that day”.
The percent is based on the pre-exam total points.
For extra credit homework or classwork assignments or quizzes,
you must be present in order to receive credit for these assignments.
No makeups for them.

Grading:

Approximate grading scale:

90-100 A's; 80-89 B's; 70-79 C's; 60-69 D's; below 60 F
-There will be tests covering up to 2 chapters of material at a time.
-There will be quizzes. You may use your notes most often.
-There will be group assignments.
-There will be some extra credit assignments and the bonus attendance credit.
-You have to be present to do extra credit and classwork and quizzes.
-There will be a cumulative final exam.

Illness/Emergency:

You are responsible for keeping up with assignments.
Email or call me if you have questions.

Extenuating circumstances:

Please contact me privately. Do so quickly.
Other options may be available. These will be evaluated on an individual basis.

Extra help:

See me during my offices hours or agreed upon special arrangements.
Math Lab (8 am to 4 pm M-R; 8am to 3pm F; West Science Room 3810.)
All Campus Tutoring (Available certain days and evenings for math, etc.)

Other campus help services--HUB , Academic, or Counseling.

Get help promptly. Do not wait until the night before the test.

Special date to remember:

Last day to Drop with a “ W “

April 1, 2005

*If you have a need for a disability-related accommodations or services, please inform the Coordinator of Disability Services in the Disability office at 2001 C.B. Hedgecock (227-1700;TTY-1543.)
